Gary Celebrates

The steel mills, Gary's largest industry, have progressed with the city.

The marking of Gary's Golden Anniversary brings to an end the first fifty years which saw Gary grow from a clump of woods and dunes on the shores of Lake Michigan to the hustling city it is today, the second largest in Indiana. The credit for this growth belongs not to a few but to all the pioneers, whose dream of a future prospering town is now realized, and to all citizens since who have contributed much to see this realization.

1906 residents of Tolleston, the oldest community in Gary, were certainly among those who helped pattern Gary. Residents of Tolleston in 1956 are continuing to help Gary progress. It is the job of the younger generation and they are looking and preparing for the time when Gary will be among the foremost cities in the United States.

Best OF LUX TO A SWEET
 GIRL. Herman

Take a look at Fifth and Broadway in 1914.

"Do they tickle, boys?"

The Times We'll

It's pretty cold, but there's no hurrying.

Could there be a more perfect setting for young love?

Always Remember

This is one of the busiest intersections at Tolleston.

Mr. Kline and his talks are always interesting.

Silence is golden, especially when testing.

Making good use of the School Lockers are Ron Hoskins, Donna Uzelak, Joann Sudroff, and Richard Jelesky.

Little things mean a lot to all of us. Lunch at the Dari, athletic games, those baffling tests, and squeezing things unaccountable into five-minute, periods between classes are moments we will always remember.

A state of utter confusion.?

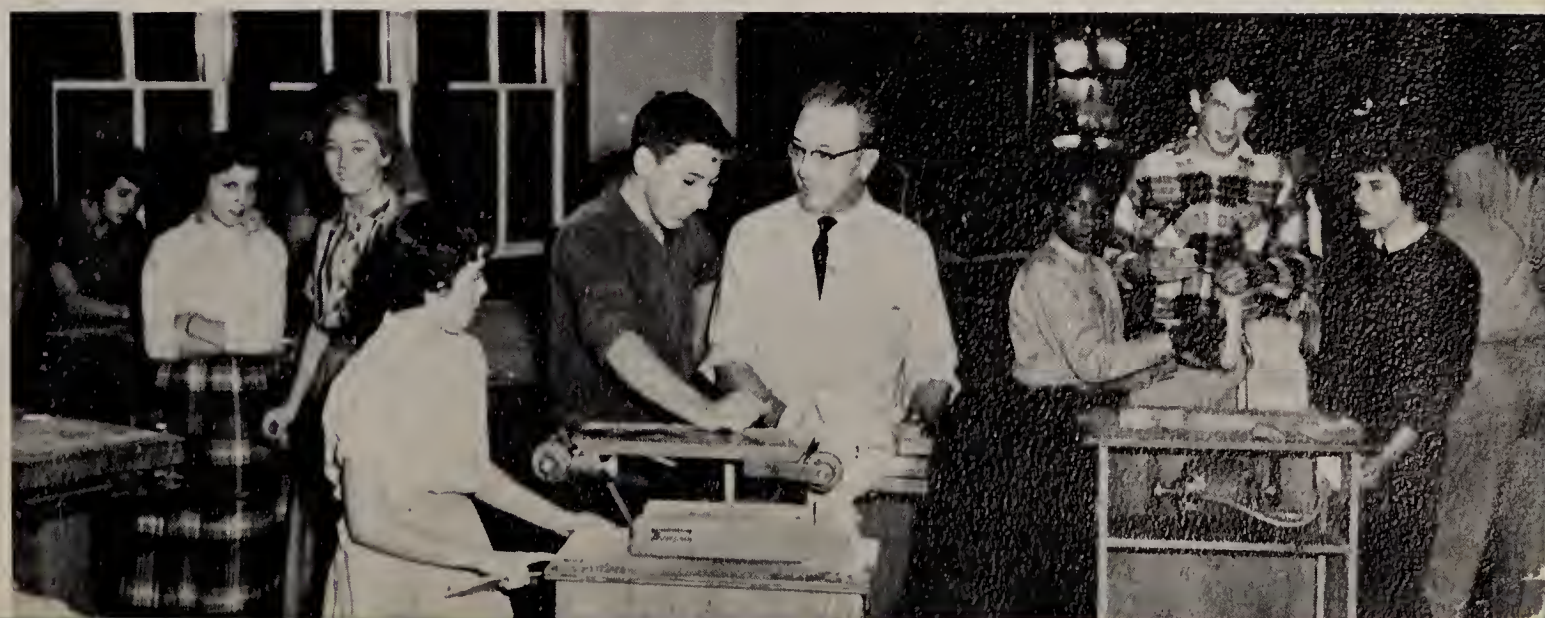

Would you believe that these Sophomores are discussing the beauties of nature?

Time for band.

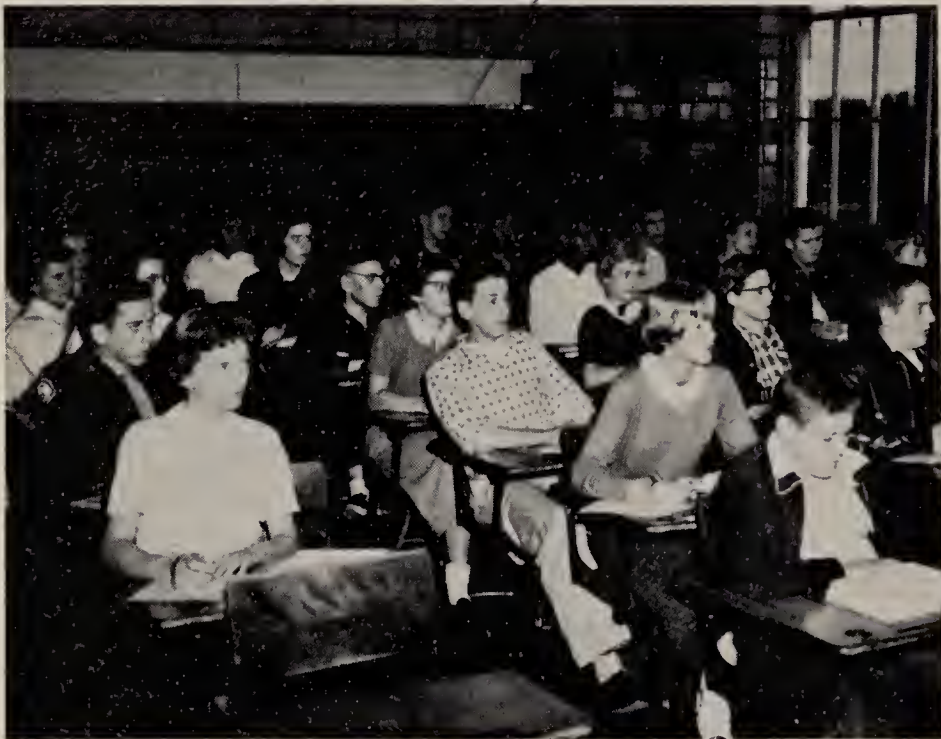

Well, just don't stand there!
This is the way we do it.

Our Problems Are

The last period of each school day is the hour when students may either study, check out to other classes to make up work, or attend school club meetings. Students may check out three days a week, spend the fourth studying, while the final day is reserved

for Guidance. Because subjects pertinent to the age group are discussed, Guidance plays an essential part in the all-round education of modern day American teenagers.

Isn't anyone interested?

Creative artists are hard at work.

Tighten this and loosen that and you're all set.

Solved In Homeroom

Being new at Tolleston proved no handicap for our able guidance counselor, Mr. Gray.

A conference is always in order.

Homeroom Chairmen: First row: G. Lehocky, L. Hulse, L. Bukur, R. Cogley, F. Walker; Second row: H. Karr, T. Binzen, S. Krebs, B. Richmond, E. Fabrici; Third row: W. Patzert, S. Intrieri, F. Thompson, S. Cidylo, J. Steininger.

Co-Chairmen: First row: V. Bektesh, P. Skager, C. Johnson, J. Downey, J. Bycznski; Second row: S. McCrovitz, S. Ell, B. Marrs, R. Keneson, B. Boris; Third row: J. Monacy, G. Gregor, L. Bukur, J. Wall, S. Blaney.

Senior Crowned

It looks like a few minutes of relaxation for our band.

Queen Candidates: Frosh., C. George; Sr., C. Atchison; Soph., B. Engle and Sr., P. Novicki.

Tension filled the air as one by one the candidates for Homecoming Queen, Cinda Atchison, Senior; Berna Engle, Sophomore; Pat Novicki, Senior; and Christine George, Freshman, walked to the center of the field. As the announcement came, a hush fell over the field. Cinda Atchison was crowned queen and received her crown of white mums and a bouquet of red roses. She had won her crown by a popularity vote instead of having to sell tickets as candidates in the past were required to do. While the band broke in with "Let Me Call You Sweetheart," everyone realized that this was the perfect beginning to a ball game.

Homecoming Queen

The alumni try their hand at "jitterbugging."

The cheerleaders decorating the field are B. Felinski, S. Ell, V. Stevens, C. Atchison, and J. Knight.

Hey! The photographer is over here.

The Alumni Association is composed of past graduates of Tolleston High School. Their meetings are held at the Sportsman Club. Officers for this year are President, Guido George; Vice President, Mrs. Eugene Nacke; Secretary, Miss Arlene Reigert; and Treasurer, Mrs. George Lamfalusi.

Homecoming Night

Hurry! Tackle him.

"Roll out the Barrel."

Neither rain nor defeat could dampen the spirits of Tolleston students, Homecoming night, September 31. The team gave their all and even if it wasn't quite enough, all of Tolleston were proud of them.

"Send them to their doom!"

Being a teacher is not an easy job. Ask any one of the instructors at Tolleston. It may seem, once in awhile, as if the students try purposely to make a teacher's job hard but really every pupil is appreciative of the teacher's help and guidance.

In order to enable a band to do the very best that it can, it is necessary to have both financial backing and morale boosting. Both these tasks are done by the Band Booster Club, whose members consist of parents of people in the band.

To raise money, the club holds an annual cake-walk out on the baseball diamond. Also, during the year, they sponsor raffles. Band Boosters is a club that is really appreciated by the members of the band.

Providing for a band is a big job.

Band Booster Officers: Treas., Mrs. J. Marrs; Corr. Sec., Mrs. S. Nelson; Rec. Sec., Mrs. C. Collins; Pres., Mr. J. Joros; Ways & Means Chairman, Mr. E. Molder; Vice-Pres., Mr. E. Zavada.

Our P. T. A. is a cooperative association that has grown with our school. Since its organization in 1939, the members have worked closely with our principal and assistant principal to help provide Tolleston with

the best possible opportunities and facilities. A major problem facing the P. T. A. this year was the PAS Survey. Their recommendations are sure to be highly considered.

Here we find our P. T. A. hard at work.

Someone was lucky!

Coming to the aid of our football and basketball teams again and again is the Tolleston Blue Raiders Dads' Club. This newly organized association is made up of fathers of the players of the teams, and is headed by Mr. Myers, Mr. Jurasevich, Mr. Snyder, and Mr. Lehocky. With the help of their money-making projects, such as the Spring Carnival and Fall Bazaar, they provide equipment for the team and cheerleaders. Tolleston is proud of their "dads."

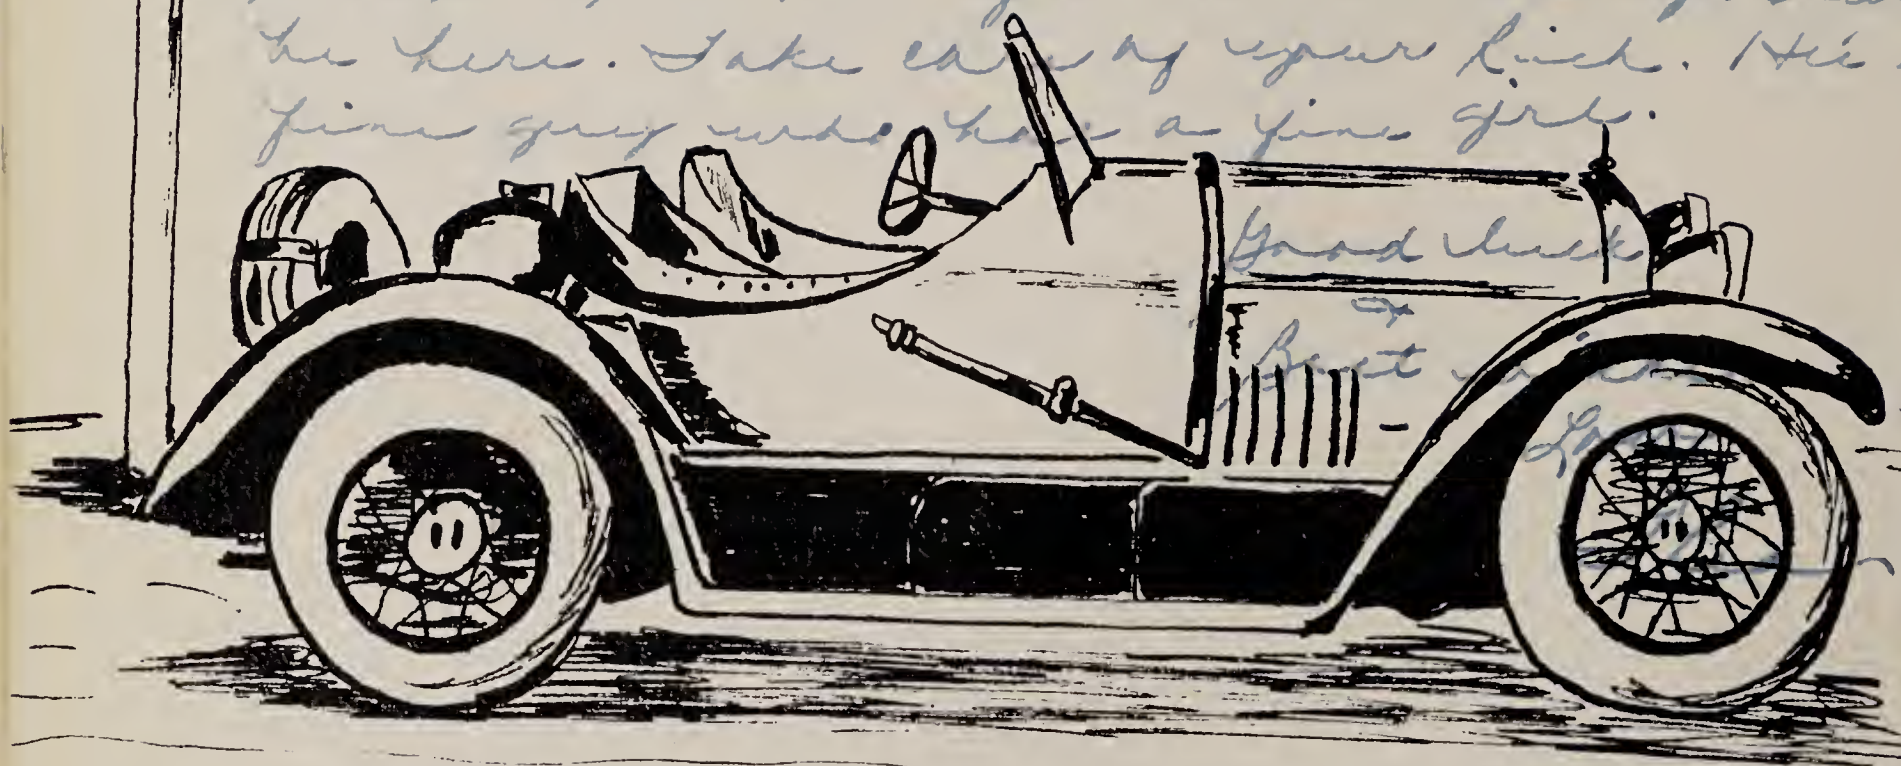

Everyone ate to his heart's content at the banquet.

Seniors

Dear Izzy,

Well, Babes, our year is coming to a close, and I don't think I've had as much fun in music as I did this year. It could be because you were part of the class. I've really had some crazy times with you. I'm gonna miss you, and I hope I'll see you even though I won't be here. Take care of your Lick. He's a fine guy who has a fine girl.

Dear Izzy:

It has been fun knowing you all these years. Although I haven't had many classes with you this year. In Safety we had a fine time with ole Sharky, didn't we. Coach D. Mally laid it into her. Hope to have many more classes with you next year. Best of luck to you this summer. See you next year.

Dear Isabel,

I think you are real fine. Hope I have some classes with you next year. If we have hard subjects Together you can help me so I can pass. Have a good time this summer with your boyfriend and don't get sunburned. See you next year when we are seniors. Boy does that sound good. Just one more year (for year) and one yr. Summer school for me. I want to walk across the stage and get my Diploma. Someone told me your senior year was the most fun. "Twirl your partner." I hope this is so because for the last 4 years I have sweetied it through. Maybe one of these days I won't have to go to summer school. Be good Issy, and stay as nice as you are.

In Memoriam

NOVEMBER 25, 1955

Our guiding light is our Lord above,
And when he takes the ones we love,
As swiftly as the dove's flight
Far away into the night,
How are we to understand on that day,
Why He has taken him away,
Except to say that,
The Lord is our guiding light,
And we must accept what he does as right.

—Joyce Sedan

"Mr. Wonderful" Named

Student Council Officers: V.-Pres., T. Bonta; Pres., P. Hyde; Sponsor, Edmund Goforth; Treas., M. Demo; Sec., J. Sudroff.

A tree brightens the halls.
This is a typical Tuesday meeting.

The student-governing body at Tolleston is the Student Council. One representative is elected from every homeroom in the high school to attend the weekly meetings presided over by Mr. E. Goforth. Every poster or sign, every new club or initiation must be approved by the Council. A most popular boy contest was held this year in connection with the S. O. S. Humanity Drive, a city-wide charity drive conducted each year by the Student Council. Every student councilor is proud of the part he plays.

They're beaming their approval.

By Student Council

my bad day

John Fontana, Junior candidate, is crowned "Mr. Wonderful" by Student Council president, Pat Hyde. Other candidates looking on are: Sophomore, Bob Buncich; Senior, Frank Bartal; and Freshman, Bob Olejnik.

Better make the conversation short, girls!

Our Student Council: Row 1: J. Archer, C. Aragon, L. Bode, P. Cogley. Row 2: B. Faught, S. Fabrici, L. Cobo, J. Pruzin, D. Kaboff, K. Langbehn. Row 3: Sponsor, Mr. Goforth, J. Carabin, A. Bonta, A. Gregor, E. Mackulak, P. Rado, H. Wirtes, J. Sudroff, M. Demo, L. King, P. Hyde, and G. Miller.

We Have Fun, Too

On hand at every social dance held at Tolleston are Mrs. M. Wilson and Mr. E. Goforth, Social Club sponsors.

Everyone likes to dance. At Social Club, sponsored by the Student Council, students congregate in the main gym and exchange small talk and ideas. Music for these evenings is provided by a juke box. The only step necessary in becoming a member is to purchase a membership card from either Mr. Goforth or Mrs. Wilson, the club sponsors.

Whom are you looking for, boys???

This platter meets with approval.

Let's "rock 'n roll."

Shutter Snappers Purchase Camera

Camera Club Officers: Sec., J. Sedan; Treas., D. Pluto; V-Pres., D. Krecik; Pres., G. Bardos, and Sponsor, O. Leskow.

Photogenic Queen Candidates: Sophomore, A. Atchison; Senior, N. Johanson; Freshman, L. Tiernan; Junior, C. Hydo.

Any student at Tolleston interested in learning the fundamentals of photography has a perfect opportunity to do so by joining the Shutter Snappers. Miss Olive Leskow, sponsor of the club, instructs them at their monthly meetings in such things as

developing and printing. The "Photogenic Queen" was one of the most successful club projects sponsored at Tolleston. A Speed Graphic press camera was also purchased. This is the "Cadillac" among cameras.

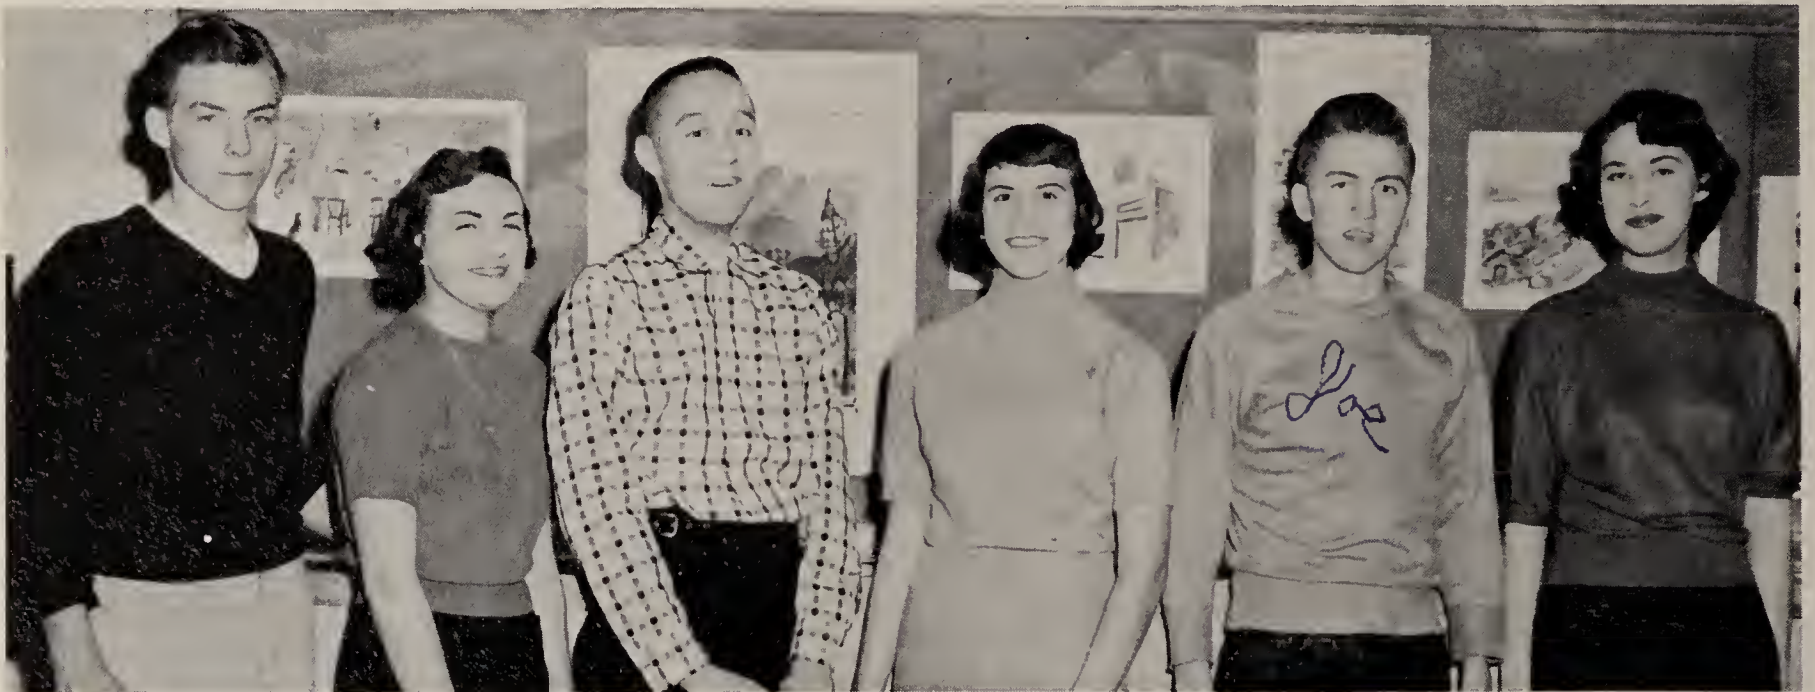

Camera Club Members: Row 1: P. Swigon, R. Martin, D. Pluto, J. Pisarski, C. Kovczun, J. Sedan. Row 2: D. Dobrowski, C. Serbik, B. Kruk, E. Zavada. Row 3: G. Bardos, E. Fabrici, D. Krecik, M. Gasteovich, and D. Fox.

Art Club Takes Prizes

Art Club Officers: V-Pres., J. Fontana; Sec., B. Engle; Spons. I. Elser; Treas., J. Benka, and Pres., B. Sunyog.

The school's most efficient way of advertising is the Art Club. For its income the club makes signs and projects for clubs within or connected to the school. With the guidance of Mr. I. Elser, the members have their choice of making jewelry or textiles, oil paintings, block printing or silk screening for personal use.

Art Club Members: T. Hecker, J. Benka, B. Sunyog, A. Karp, J. Surber, P. Rado

Poster-making is big business.

Are you sure it's right?

In City Poster Contest

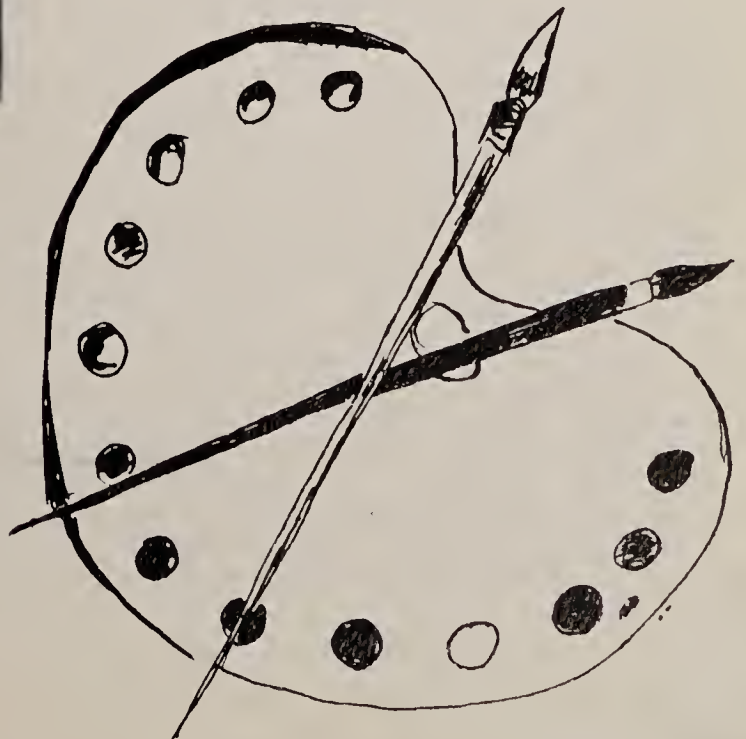

Art Club Members: S. Lawrosky, S. Kachur, P. Povlinski, B. Engle, L. Roszkowski, M. Kachur, C. Kovczum.

Talented Art Club members, B. Sunyog, and T. Hecker, display their skills.

At least one year of high school art with a B average is required to be a member and to attend the meetings which are held Monday or Wednesday evenings in the school Art Room. Besides sponsoring a dance the second semester, the club also has an art exhibit at the end of the year which displays what the students have accomplished. Art Club offers a chance to improve one's talents.

"Fantasy" Proves

Pictured above from left to right are: Treas., Helen Wirtes; Sec., Joyce Czubik; Soc. Chairman, Pat Hyde; Sponsor, Mrs. Mary Jeffries; V.-Pres., Judy Kosac; Pub. Chairman, Joyce Sedan, and Pres., Judy Tiernan.

J. Tiernan, Pres., and J. Kosac, V.-Pres., are shown with Mrs. M. Jeffries admiring the Spatin Club's Christmas gift to her.

One of the most active clubs at Tolleston is the Spatin Club. At their bi-monthly meetings, held under the sponsorship of Mrs. M. Jeffries, the members are given a chance to display their knowledge of either Latin or Spanish by performing in skits or group singing. The social activities of the club also revolve around the idea of a better conception of Roman and Spanish customs.

Beautiful scenery to dance by.

And the music played on.

Big Success

The third-year members of Spatin Club are: Row 1: J. Sedan, J. Geleott, C. Atchison, M. Lucco, N. Johanson. Row 2: V. DeMeyer, M. Page, G. Bardos, R. Bryja, D. Pickett.

"You are now a member."

The initiates really had it hard!

Thirty - Three Members Initiated

First-year Members: J. Alexander, L. Piggee, B. Whitley, S. Cave, S. McCrovitz, V. Bektesh, F. Pruzin, H. Dudas, L. Kostka, C. Aragon, K. Langbehn. Row 2: R. Lepp, V. Looney, C. Binkley, M. Kelner, C. Brown, D. Dobrowolsky, J. Jaksca, C. Serbik, L. Tiernan, S. Kachur, L. Shaeffer. Row 3: G. Olejnik, B. Johanson, L. Borausky, M. Gasteovich, L. Guzik, S. Cidylo, L. Feczko, K. Becker, C. Kovczum, C. Page, J. Keeney.

Second-year Members are: J. Tiernan, H. Wirtes, R. Cioni, T. Brennan, J. Kosak, J. Czubik.

Besides an annual Christmas party the club also sponsors the Starlight Fantasy, a midwinter semi-formal affair. This year, as in previous years, Spatin Club participated in the city-wide Latin Conference. Here everyone is given a chance to discover how other clubs are working and to find that Latin is not altogether dead.

The dancers take time out for punch.

John Baker provided the music.

Science Convention Attended

Biology Club Members: Row 1: D. Carabin, B. Collins, L. Collins, J. Bobik, J. Geleott, E. Patton, R. Hern, R. Scott, E. Fabrici, L. Washington, D. Kadelak. Row 2: D. Romanski, J. Danko, M. Vespo, I. Wirtes, M. Costidakis, R. Cioni, W. Patzert, V. Lockett, J. Pisarski, L. Monroe, G. Katunich, L. Schaefer, W. Muzek. Row 3: F. Radwan, J. Klinger, M. Ragon, D. Kamza, M. Page, H. Wirtes, R. Bryja, A. Malis, F. Thompson, S. Pullins, D. Pickett, C. Bell, N. Groth.

Striving to keep pupils interested in science is the main project of the Biology Club. This is done by slides and films on nature and special speakers who are invited to address the club. The many activities that the club engages in are the annual outing, a Christmas party and the attending of science conventions. Representatives were sent to one such convention held at Notre Dame University. Meetings of the club are held once a month under the supervision of Miss Edith Wallace, club sponsor.

I. A. Visits Marbon Corp.

All boys interested in industry and new developments in that field can belong to the Industrial Arts Club. Members of the club take trips every year to learn of new machinery and production methods. Marbon Company was the host this year and the boys learned how plastic resins are manufactured. Mr. Hayes is a very capable sponsor, and Industrial Arts is one of the best organized clubs at Tolleston.

Besides placing posters in the main hall reminding people of the games, they also sell pens. A dance was held in the second semester. All in all, the Booster Club's main goal is to show others its pride in Tolleston.

Here's the Booster Council hard at work.

In addition, the staff also publishes the Tolly Times, which involves getting news, typing the articles, and running them off.

Under the direction of Miss Charlotte Doemroese, the Glee Club has been made up of Tolleston students who enjoy music. They meet daily as a class and also during homeroom. At Christmas time, the chorus provided the beautiful music for the Christmas Program. Everyone enjoyed the caroling in the halls. Other activities that the chorus participated in were the Easter program and singing for the P. T. A.

"Reserved"

Sports

dear Essy,

there seems so much to say and yet no words for what I have to say. I can remember the fun we had when you used to come over - even the time you came when it was raining and you were all wet - so you changed into a skirt of mine and we called it a "curtain." We have had a lot of fun these past years and I wish they could continue our good times but we are moving soon and I probably won't see much of you or anyone else ~~before we get settled~~ ~~in our new house~~ ~~but~~ come out and get you some nice Friday so you can spend the week

~~at. In course have parties and~~ ~~and you~~ ~~and~~ ~~beck as invitation. You good to Beck this~~ ~~summer and tell him I said to be good to~~ ~~you to. If he's not good - tell me - I'll come over~~ ~~and personally give him a spanking. he! he!~~

I sincerely hope you have a fine summer stay as fine as you are and keep your sweet personality. I'll always be "tops" in my book and I'll never forget the times I was with you. Good bye and Good Luck until next time. Be Good this summer and have loads of fun.

Love always -
Nona Butch

Ten Lettermen

This year, under the direction of a new coach, Vic Kay, Tolleston came up with one of the best teams it has had for quite awhile. They turned in an impressive record of 4 wins and 4 losses. The major mishap of year was the losing of the Homecoming game. Otherwise, everyone was pleased with the team's performance.

New Uniforms Are Purchased

The cheerleaders are boosters of our school's morale. They lead us in our school chants and rile up our spirits on behalf of our school. Every Thursday during the homeroom hour the cheerleaders meet for practice session. Recently, the girls received new white skirts from the Dad's Club. Joan Templer and Judy Tiernan are new on this year's reserve squad. Many new cheers have been made up this year.

I say,
 Knowing you this year really has
 been nice. Well, we're finally seniors
 and we have a lot more to
 look forward to in life's happenings
 and hardships, both. I'm sure
 that all your days will be
 happy if you stay as sweet and
 nice as you are. By the way,
 I won't be here next year but
 when it is time for those church
 bells to ring, don't forget me.
 Load of Luck to Best of Every-
 thing.

Though off to a slow start, the 1956 Tolleston baseball team is still one of the top contenders for the WNIHSC crown. The schedule this year is rough as usual, but Tolly fans are looking for some good performances from pitcher, John Jurasevich, and other veteran members of the team. So far the team has registered wins over Whiting, Horace Mann, and Froebel, while dropping games to Lew Wallace and Emerson.

Hi babe,

Well Well what do you know were almost seniors! Can you believe it? We sure have had a lot of fun together. Well you have Rick and I hope Doug (what more could we ask for?) Rick is a real fine guy and he deserves the best that's why he got you. Well Jessy we have been together for quite a long time now and I hope our friendship continues. We sure had a hell of a time this year and I don't mean maybe. Well honey I hope I can fill this page for you. You know how when it comes time to write in these books I always seem to run out of words. We sure had a nice time when we went to the museum. Well so far we've both had pretty good luck with our fellows and I hope it continues. Well I hope we have homeroom together next year. man we'll really have a bad time. You a real fine girl and a real fine classmate. I want you to have a lot of luck with Rick and I hope those wedding bells will ring out for you in about 2 more years or maybe sooner. Well hon, I guess I can't think of much more to write except God Bless You and may the Devil take you. H+H.

Love Jo

Isabell, I don't know what to write, but you reserved this place for me. So! I have enjoyed having many classes with you, and having as much fun as I did. You are a very sweet person and I hope you don't change. I wish you loads of Luck and Happiness in the years to come. I hope you have a nice summer, and that I will see you next year, and also have several classes with you. I hope you have as much fun on the 17th as I have. I will never forget how we used to sit and talk with each other. I can't think of anything more to say so. "May God Bless you and Keep you Safe." Good Luck and Best wishes to one of the sweetest girls I have known.

Good Luck

to good friends like you. I really mean that
Izzzy. I think your the nicest girl I know that
is after Shirlee. Of course she comes first. But
be fore I get all flabbergasted I want to wish
you all the luck in the world with you and your
Mr. Wonder ful. from what I know and from what
I've seen I think you've hit the nail on the head.
I hope next year we'll be high school rough and tough. Senior
Besides next year we'll be high school. Especially me because
that ought to prove a long time. Well Izzzy I tried
it but I've finally ran out of words but
my best but I've finally ran out of words but
you know how good friends feel. That's a feeling
that can't be put in words. I wish you the best
Again I want to wish you the best
of every thing and the best of luck
